World Samoyed Meeting

Article from the Samoyed Club Inc

The Samoyed Club Inc was asked to write an article for the WSM booklet - they asked that we provide the club history and information on what health issues are prominent in New Zealand Samoyeds. Below is the article that has been put together.

The club started out as the Auckland Samoyed Club. In the late 1960's its home base moved southwards to Ngauruawahia and the name was changed to The Samoyed Club Incorporated. In 1976, the club moved to the Wellington region.

Associated with the New Zealand Kennel Club (NZKC) the club aims to promote and protect the Samoyed. The club celebrated its Diamond Jubilee Year in 2009.

The club provides activities and services to the lower north island of New Zealand:

SamCare - An important role that involves:

- Helping Samoyed owners learn how to best care for their Samoyeds – advice on diet, exercise, grooming, behaviour and training.
- Helping Samoyed owners with re-homing.
- Rescuing Samoyeds from the pound.

Breeder Referral - Potential Samoyed puppy owners are advised what to look for in a responsible breeder (e.g. health checks on breeding stock and ongoing support) and what owning a Samoyed is all about.

Magazine, Facebook and Web Page - The Sleigh Courier is published every three months (Summer, Autumn, Winter and Spring) and only sent to members of the club. The Facebook page and web page blog are available to friends of the club.

Championship and Open Shows - A championship

show and an open show are held in accordance with the conformation breed show regulations of the NZKC. The open show assists judges in training to learn about the Samoyed. The club maintains a set of cups for the championship show and a single cup for the open show.

National All Breeds Conformation Dog Show - Achievement at this show is recognized with cups for Best of Breed and Reserve Best of Breed.

Annual Awards - Achievement of Samoyeds in conformation breed showing, obedience tests and agility events are recognized by:

- Champion Shields for Samoyeds awarded champion, grand champion and supreme grand champion status by the NZKC.
- Best "Of Year" Sashes and Trophies for Samoyeds that have won a category within the club's points system, which includes breed, obedience and agility.

Snow Dogs Match – A match in the form of a conformation breed show between Samoyeds, Siberian Huskies and Alaskan Malamutes. The stakes include sled dogs.

Fun Day - Enables Samoyed enthusiast to meet and have some fun with their Samoyeds in a safe environment.

Samoyed Walks – Another fun activity that enables positive interaction between the Samoyeds but also attracts attention to the breed. A pack of Samoyeds walking together is a great sight.

Pet Expo - Enables the public to see and interact with Samoyeds and ask questions about the breed.

Samoyed Health - Being a very small club, there

is no health committee but the club does support the Canine Health and Welfare Committee of the NZKC, having responded to a request for recommended health tests for Samoyeds. The health tests are part of the Accredited Breeders Scheme being introduced to New Zealand.

Samoyeds in New Zealand are generally very healthy and the tests recommended by the club were:

- Mandatory - Hip and Elbow Scoring using the New Zealand Veterinary Association Scheme,
- Mandatory - Eye Testing for general health plus Glaucoma and Distichia,
- Optional - Cardiac Testing.

In addition the club thinks the following health issues are of interest within New Zealand bred Samoyeds:

- Diabetics
- Monorchism
- Liver Shunt

Bacteria and Algae WARNINGS

Dogs at risk

Current warnings from Porirua City Council

Water quality warnings

High bacterial counts have recently been recorded at Balaena Bay. It is currently unsafe to swim at this site. What are we doing about this?

Has it been raining lately? High bacterial counts often happen after heavy rainfall but generally return to safe levels within 48 hours of rain stopping.

Toxic algae warnings

Rivers

A red alert warning is in place at Waipoua River at Colombo Road. Significant amounts of toxic algae are washing up on the river's edge and it is unsafe for swimming. We recommend keeping your dog away from this part of the river.

Lakes

A red alert warning is in place at Lower Whitby Lake.

Puzzle Page

No 14 CIRCLE SAM

Answer the clues, entering each letter into the appropriately numbered section of the circle. When the puzzle is complete the letters will spell the name of a dam of many champions

CLUES:

1: Number of Challenge Certificates needed to become a NZ Champion

11-16-10-2-17

2: Width fault between ears

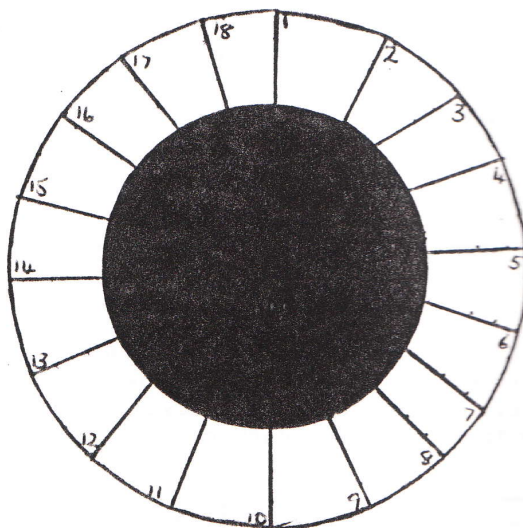

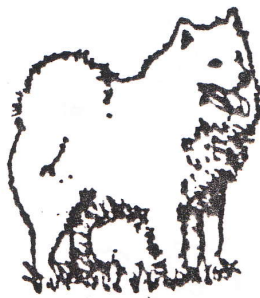

15-8-12-7-14-6

3: What you have done if you get 1st prize

13-5-4

4: Something you can have done to check unborn pups

3-1-18-9

Answer: _____

JUNIOR SAM RIDDLE

Why is a Sammy's nose in the middle of his face?

Because it is the scenter.

No 15 HOW SAMSMART ARE YOU?

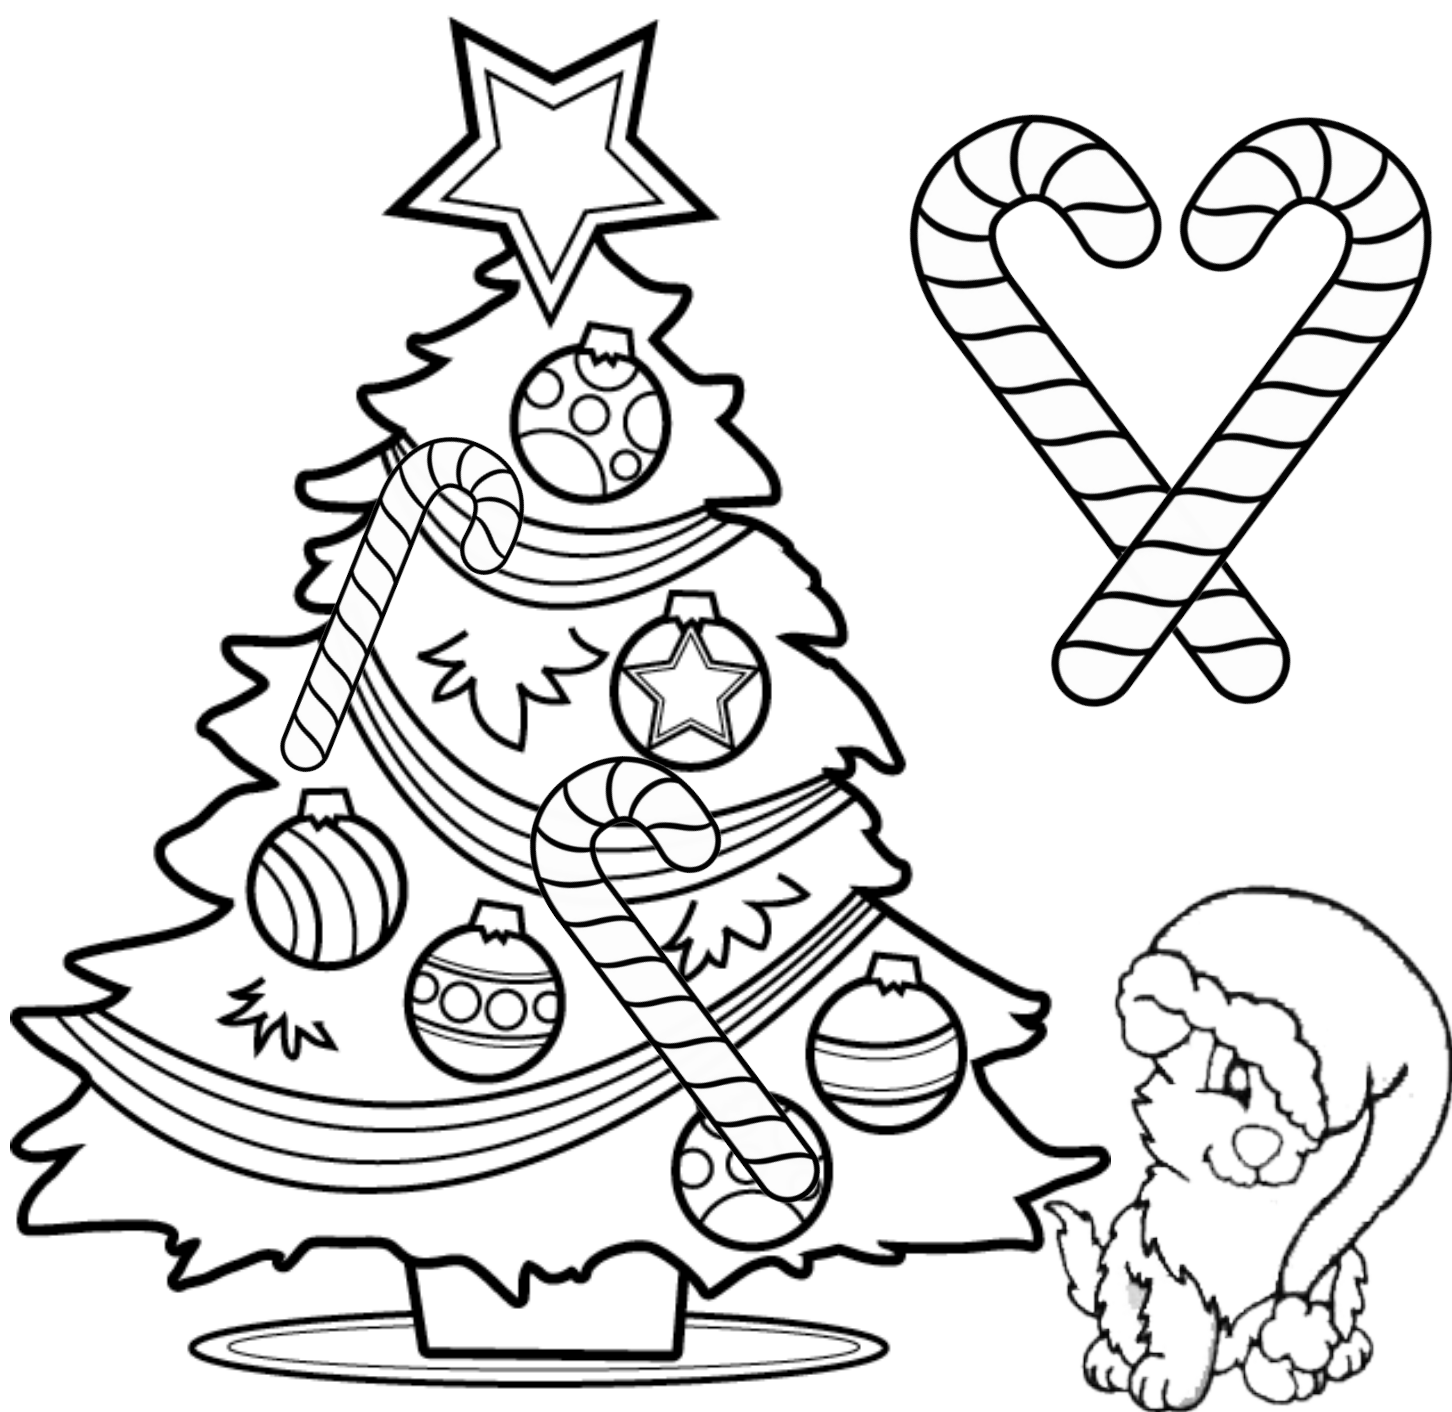

Adventurous Sammy has fallen to the bottom of a 30 metre well. He manages to climb up three metres each day but unfortunately slips back two metres each night while he is sleeping. How many days will it take poor Sammy to climb out of the well?

JUNIOR SAM JOKE

MOTHER SAM: Baby Sam, why are you using a piece of cake to clean up that puddle on the floor?

BABY SAM: Oh, it's alright Mum. It's a sponge cake.

MERRY CHRISTMAS

Funday / AGM

2015

Funday

& AGM

Come and join us for
a pawfect day of fun,
games and Samoyeds!!

March 8th 2015
meet 2.30pm at
the Titahi Bay
Obedience Club,
Ngatitia Domain, Mana

Our AGM will follow the
funday (4pm), all members
are invited to attend.

If you do not have a Samoyed, one of our
breeders may be able to bring one for you!
Get in contact with our organiser Lisa,
lisaachapman@hotmail.com

Samoyed Walk - November at Mana

The Samoyed Pack Walk at Mana in November was from the Obedience Club to Plimmerton Beach with a stop along the way and back at a dog beach to let them off leash for a paddle and play. Of course Phoebe had to have a big dig to show everyone how great she looks (not) with sand in her coat.

We had a few visitors and club/committee members along with a dozen dogs. Thank you for coming from all over the region – the dogs just love seeing other Samoyeds.

Do let us know if you would like to come but don't have a Samoyed – I'm sure one of the breeders will be happy to bring a spare Sammy for you to walk with. Other breeds are also welcome to join us.

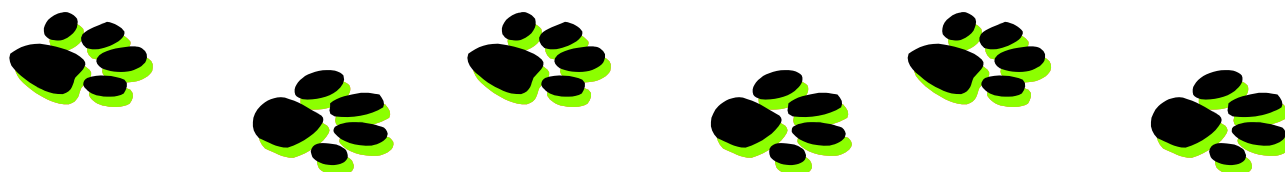

Up-coming Samoyed Pack Walk

Invitation from the
Wellington Samoyed Club

To all our friends and members – the more paws the merrier!

Samoyed Pack Walk

Planning for the Hutt Valley, either River side or Park where the dogs can run off lead depending on the weather and river conditions.

Date: Sunday 25th January 2015
Meet & Greet: 4.30 pm
Where: Petone Dog Beach
Walk Start: 4.45 sharp!

Honiana Te Puni Reserve - Entrance to the park is near the Petone roundabout at intersection of Hutt Rd & The Esplanade - Then turn right and drive to car park by the ski club, next to the motorway to Wellington. The west end of beach up to the pier is for dogs to run off lead if desired. There is a little creek where dogs can clean up before getting into car if necessary. Fish & chip shop nearby if you want to stay for a picnic

Remember to bring usual dog walking gear & water for yourself and dog/s plus poop bags & a towel to dry off if needed.

Contact: Lisa Chapman/Herbert 027 446-7278
Ring or text me if you are running late.

Things we can learn from a dog

1. Never pass up the opportunity to go for a joy ride.
2. Allow the experience of fresh air and the wind in your face to be pure ecstasy.
3. When loved ones come home, always run to greet them.
4. When it's in your best interest, always practice obedience.
5. Let others know when they've invaded your territory.
6. Take naps and always stretch before rising.
7. Run, romp, and play daily.
8. Eat with gusto and enthusiasm.

9. Be loyal.
10. Never pretend to be something you're not.
11. If what you want lies buried, dig until you find it.
12. When someone is having a bad day, be silent, sit close by and nuzzle them gently.
13. Delight in the simple joy of a long walk.
14. Thrive on attention and let people touch you.
15. Avoid biting when a simple growl will do.
16. On hot days, drink lots of water and lie under a shady tree.
17. When you are happy, dance around and wag your entire body.
18. No matter how often you are criticized, don't buy into the guilt thing and pout. Run right back and make friends.

Claiming Points

Breed, Obedience & Agility

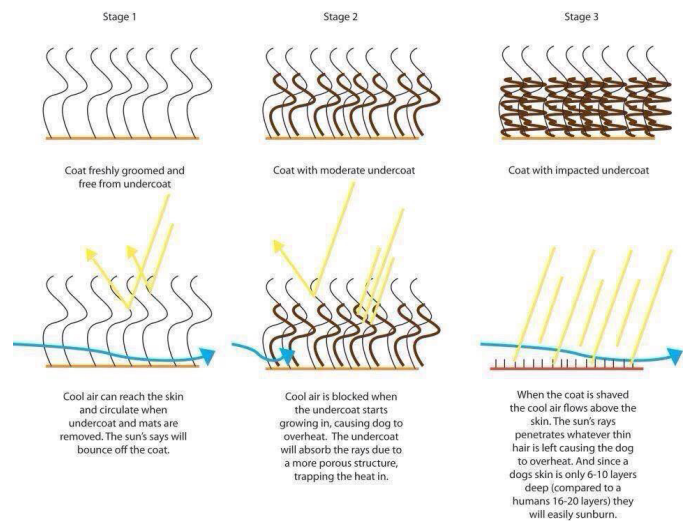

The club has an Obedience Cup and also an Agility cup that is awarded each year and based on point claims for wins in obedience and agility.

if you compete in obedience and / or agility please contact our points steward - Lynne Barr and find out how you can claim points which will give you the opportunity to win the cups in 2015.

Also a reminder to all people wanting to claim points - breed, obedience and agility - you and all owners of the dog need to be club members before any events you would like to claim wins and hence points.

A Samoyeds' double coat

Please remember you should NEVER shave your Samoyed. Just keep them well groomed and provide fresh cold water and all day shade.
