Championship Show Critiques

Junior Dog

1. Oscarbi It's Best Served Cold.

Excellent specimen, very sound, well balanced, good front with substance, chest and spring of rib. Good pigment. Lovely harsh coat, good tailset and carriage. He impressed me from the start and every dog after him did not measure up until I found my CC winner. Awarded RCC and Best Junior in show.

2. Sunshine over Thor

Lovely head properties, with good pigmentation. Sound on the move with good tail carriage. Did not have the correct angulation in front with a more upright upper arm and lacked forechest.

Intermediate Dog

1. Oscarbi Rap-It Up-Daddy

Good wedge shaped skull. Well sprung ribs with good chest. Excellent coat texture. Possibly little short in lion, he tended to sidle up and back but showed strong drive on his side gait.

2. Sunshine True Colours

Fair head, not as nice a 1. A lighter built dog, somewhat shallow chested. Sound mover.

New Zealand Bred Dog

1. Oscarbi Lorde In The Ring

Nicely balanced dog with fair head properties. Nice harsh textured coat, Good tail, displays excellent reach and drive on the move.

2. Ch.Akeisha Fearcharia.

Not as good in skull as 1. And softer textured coat. Nicely balanced angulated dog, good neck. Could do with a bit better width in front. Moved very soundly, could walk a straight line up and back tracking correctly. Excellent feet, good tailset and carriage.

3. Ch.Sunshine Tri Teddy.

Lovely head and expression with lovely eyes. Well balanced. Good coat texture. Out moved by first two, he lacked the reach and drive.

Veteran Dog

1. Kelljass Wild Paw Prints

Beautifully presented 8 year old neutered dog. Good forequarter construction with good turn of stifle. Excellent tail. Pleasing head even though ears a little large. Excellent feet. Undershot bite. Sound for his age with a happy disposition. Awarded him Judges Choice because he would be lovely companion dog.

Open Dog

1. Gr Ch. Oscarbi Everedi Boy.

This dog epitomises the breed standard in every respect. Structurally sound, well made dog, of correct size, complimented by good movement displaying reach and drive without exaggeration. Ideal breed type. The best Samoyed I have ever judged. Dog CC and BEST IN SHOW.

2. Ch. Oscarbi Backin The Future At Kalisa

Just not in the same class of the winner. Excellent textured coat, with good tailset. He lacked neck, almost level bite, and straighter in stifle. His eye shape did not enhance his expression.

Junior Bitch

1. Ch. Oscarbi Astonomically Wild

Very nice young bitch, excellent head, eyes, pigment. Well balanced with good chest and spring of rib. Good tailset. Excellent coat texture. Well angulated front and rear. A strong contender for the CC & RCC, she did not move as cleanly as my winners coming and going.

2. Airebis Love Conquers All (Imp)

Profusely coated, very showy bitch of correct size. Slightly domed skull lacking in width, with snipey foreface. Larger ear. Excellent pigment, tail and feet. Beautifully presented. Upright upper arm, narrow in front lacking forechest, moving a little close behind. Weak in the hocks, not let down sufficiently.

Intermediate Bitch

1. Ch. Sunshine Dream-Come True At Kalisa.

Lovely head and feminine expression. Dark eye, good shape. Nice coat texture. Excellent pigmentation. Good turn of stifle, excellent tailset and carriage, Good movement. Lovely length of neck, well

laid shoulder, but upper arm too upright, a fault becoming all too common in our breed. Otherwise a very nice bitch. Best Intermediate In Show

2. Akeisha Snow Kissed Isabella

A longer caste bitch, with excellent shoulder and well sprung ribs. Good reach of neck. Excellent feet. Coat tending to being a bit soft, and ears a little large.

Limit Bitch

1. Kelljass Snow Pearls CGC B

Nice Head. Good shoulder and neck. Narrow in front and weak in the hock.

2. Kelljass Lace Teddy In Pearl

A better bodied bitch with good feet and tailset. Coat a little wavy. Lost the class because of very poor front movement, extremely loose in the shoulder.

NZ Bitch

The hardest class to make a decision. 1st and 2nd could be reversed. These two bitches were my eventual CC and RCC winners.

1. Ch. Kursharn Golden-Witch

Beautiful head with feminine expression. Well balanced with good substance, stood four square. Excellent arched neck. Lovely dark eyes and shape which gave her the class. Good movement. Good feet. Lacking in coat, but she had nothing to hide. Good tailset. Bitch CC and Reserve Best in show.

2. Ch. Oscarbi Just Astronomical

Very nice bitch throughout, in full coat with excellent texture. Moved well, good coming and going. Good substance, well balanced. Her oval shaped lighter eye lost her the class. Liked her very much. RCC

3. Kelljass Winter-Eclipse.

Outclassed by the previous two. Very nice head with lovely eyes. Good quality coat, good feet. Tended to being a bit timid in nature.

Veteran Bitch

1. Ch.Sunshine BJ's Dream

8 year old bitch, well presented, nicely balanced. In good coat, this bitch is nice throughout. Best tail, one of a few that the tail bone reached the hock. Sound on the move but lacking in the effortless movement I wanted. Showed her heart out. Best Veteran in Show.

2. Ch.Angara Dancing With The Stars

10.5 year old, very out of coat. Past her best now, she did not want to be here today. Very good neck and shoulders, excellent feet. She showed great reach and drive, but it was an effort for her.

Open Bitch

1. Ch.Anaky Say You Love Me (Imp Aust)

A well balanced bitch with good substance. Lovely harsh coat. Very good feet. Good tailset. Won the class on movement.

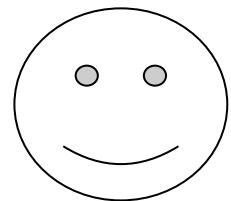

2. Ch.Sunshine Autumn-Gold

A rather finely boned bitch, excellent neck and good well hid shoulders. Excellent feet and tail. Lacking reach in front, and tended to turn out back feet when stacked.

Matches

Sorry but we have not managed to organise the usual Snow Dogs match this year but are looking to hold it next year just with the Siberian Huskies. We are also looking into holding a Black and White match with the Bernese Mountain Dogs.

Annual Awards

We are wondering if people want us to continue with the Annual Awards. We started with just acknowledging new Breed Champions and over the years have added Breed Grand Champions, Breed Supreme Champions and Breed Speciality Champions.

We have tried to make each award special and this year we even tried to make them more special than usual by using the Samoyed head.

These awards are relatively expensive and it would be good to know if you want us to continue to hand out these awards and if you do want the awards do you want us to continue using the shields with the Samoyed head and the four breed categories. You need to be a member of The Samoyed Club to be awarded the shields.

Please respond using the club facebook page if you want to initiate a discussion or advise the secretary.

Points

We are also wondering if we should be continuing with the Club Points as very few people now claim points (Breed, Obedience, Agility) and seem to prefer bragging on their own or various facebook pages. We have a full set of cups in good order but the ribbons we hand out are relatively expensive and we are not sure how much the winners actually want the ribbons or the cups. It is also a lot of work to keep the database up to date with all the wins. Anita Shugg has offered to take on the role of point's steward for 2017. You need to claim your own wins to have points awarded and be a member of The Samoyed Club to be awarded the ribbons and cups.

Please respond using the club facebook page if you want to initiate a discussion or advise the secretary.

Agility with Phoebe

Phoebe is 2yrs 6mths and has been doing Agility for over a year at the Upper Hutt Dog Training Club.

Last month she was in the UH club's Ribbon Trial, got three out of three clear rounds and was awarded 1st place Elementary B1.

This Photo shows Phoebe jumping a hurdle during a recent Agility link club competition course. The Link Competition is a monthly course sent to participating Agility Linked Clubs nationally; meaning that all club members compete on the same course nationwide with the results correlated by the National Link Association.

This particular course was 120 meters long with 19 obstacles which were made up of 1 x "A frame", 3 tunnels (1 Collapsible), 1 x 12 pole weave, 1 long jump and 13 hurdles. Because Link Courses are competed on by all members of the club regardless of the experience of trainer and/or dog, the courses are generally fairly simple to execute with just one or two tricky obstacles to negotiate.

Phoebe jumps in the Maxi High Class, meaning she is more than 520mm at the shoulder and this photo shows her jumping the tricky jump for this course. This course was basically in two parts connected by this jump, it was off-set from the two parts, with a awkward entry from the previous jump and a tricky turn on landing to get to the next jump (stand for it is just glimpsed above my right ankle). This caused much discussion amongst the top trainers as to which way was the fastest, them deciding on 3 possible ways of doing it and only a third of the dogs doing these three jumps successively, Phoebe one of them. Unfortunately she incurred 5 faults on this course due to her downing a rail 2 jumps prior to this jump.

Samoyed Day 2017

We are busy planning Samoyed Day 2017.

We have been offered an international judge for the Friday before the Hutt Valley shows. Based on the feedback most people preferred the Friday before the Hutt Valley shows. So we are following up the offer of the international judge on Friday 30 June 2017.

Hopefully we will be able to announce who they are at the AGM next year. We don't yet have an open show judge so if you know of anyone interested in judging Samoyeds in Wellington please tell them to talk to Lynne.

Please diary now – Samoyed Day 2017 – Friday 30 June 2017 at Porirua.

Breeders Directory

We get a lot of enquires for puppies through The Samoyed Club and as a policy we advise anyone asking for puppies about the breeders who have paid to be in the Club's Breeder Directory.

Membership 2017

Sorry about the lack of magazines this year. We have had all the material ready to go several times but no one to help pull it all together. We have asked several people.

Hopefully we will have someone with the skills and time to do this role next year or maybe it is time to just use the club web page and facebook group.

Please renew your membership for 2017 and get your forms back to Simeon and your money into the club account.

Your club needs membership.

Don't forget your membership needs to be renewed before you can claim points.

AGM & Fun Day

Our club rules require that the AGM be held in March. We don't yet have a date but we will try as per usual to select a date that does not clash with breed shows or obedience trials.

The last few years we have combined it with a Fun Day, which has games in an effort to encourage the Pet Members to come along and get more involved with the Club. We have a good membership but it is spread throughout New Zealand with a few in Australia. We need breeders who sell pups into the lower north island to join their new puppy owners up to the club or at the very least tell them about the club.

We also need more people on the committee. There are several show people in the lower north island who could come on and help. We do have meetings which could be by Skype. We also do a lot of the correspondence on our Yahoo group SamClubCom.

All sorts of skills are welcome.

Merry Christmas
