I have been involved with dogs most of my life.

As a teenager I got my first dog a German Shepherd Dog(SC), he had been trialed with the Police Dog Section but did not make it through their programme.

The Rottweiler were my next love, after meeting a Rehab Dog in hospital, while recovering from spinal surgery in St.Louis Missouri,USA 1980.

I made inquiries of the breed, on my return to New Zealand and bought my first show dog in 1982. I have been involved in the breeding and showing for over 30 years.

I have bred and owned many RBISS,BOG & Multi V Rated Rottweilers, BIS & BISS French Bulldogs and BIS & BISS Welsh Corgi Cardigans. I have handled many breeds in various groups through to Champion, Group & Best In Show Winners.

I am currently President of the Horowhenua Kennel Assn, and have been involved on committees of All Breed and Specialist clubs, in all committee positions.

I first joined the Aspiring Judges programme in 1998, that had to be put on hold due to a work transfer to the USA in 2000. On returning home in 2006, I rekindled my interest in showing dogs, joined the aspiring panel in 2008, passed my Ribbon Parade exams in 2010 was promoted to the Open Panel in 2012.

I have judged in most North Island centers, Blenheim and Christchurch. Through my dogs, committee work, stewarding and judging I have been privileged to meet some wonderful people and judge some beautiful dogs.

Butch Profile

Ian and Lorraine produced their first dog roll in Ruawai, New Zealand. A butcher by trade, Ian had recognised the growing problem of hydatids through feeding uncooked meat to dogs. He created the dog roll as a safer and healthier alternative.

Ian travelled to Auckland on Friday's where he sold his product to farmers, butchers and small markets. By 1964 they were producing 300 dog rolls per week. One Friday, when returning from Auckland, Ian was horrified to find his factory engulfed in flames. All of the equipment and stock was destroyed, the factory burnt to the ground. They had no insurance. Soon after, Ian and Lorraine moved to Auckland with their three children where they re-built their lives.

Butch Today

Today Butch produces over 100,000 dog and cat rolls per week, is the market leader in New Zealand and has one of the most efficient and innovative pet roll manufacturing plants in the world. Butch, the oldest, most established pet roll company in the country is still solely owned by Ian and Lorraine.

All Butch products are made from fresh ingredients including beef, lamb, chicken, fish, eggs and cereals, which are scientifically blended with a range of vitamins and minerals for a perfectly balanced, complete diet for your dog or cat.

Our selection of fresh beef, lamb and chicken is collected from MAF licensed establishments daily and is processed within hours.

Our plant is licensed by MAF, whose officers' frequent visits ensure all preparation, cooking, processing, packaging and procedures meet their exacting requirements. Butch Pet Foods (PF5) is the oldest registered pet food company still in operation today.

Butch products are exported around the world and can be found in the pet food chiller of farm supply stores and all New Zealand supermarkets.

Judge: Janet Ainscow, Sunmist Samoyeds, Tasmania

Janet Ainscow was introduced to the Samoyed breed in 1965, when her father purchased a puppy. In 1966 Janet made her debut as a junior handler, 9 years old, handling her father's dog. Her mother then established the Samsleigh Kennels, and Janet handled all their Samoyeds until she established her own kennel, Sunmist, in 1977. She titled her first Samoyed at 12, and at 15 took her first Best in Show All Breeds with a dog bred by her mother.

In 1979, the first New Zealand bred dogs gained their dual Aust/NZ Championships. They were litter sisters. Janet owned one and handled both to their Australian Championships. In the year 2000 Sunmist bred a litter from imported frozen semen. This resulted in the first ever Champions for both New Zealand and Australia that were conceived from imported, frozen semen. Grand Ch. Sunmist Lucky By Scot (AI) re-wrote history, by not only being the first Champion, but a Grand Champion and multi All Breeds Best in Show winner.

Sunmist is a small kennel, having bred only 28 litters. This has resulted in 34 Champions and 5 Grand Champions to date. Sunmist was also the first kennel to export frozen semen to Europe from an Australian bred Samoyed, resulting in progeny with multiple

European Championships, C.I.B., and an All Breeds Best in Show in Russia.

Janet judged The Samoyed Club Inc Specialty here in 1993. She has also judged specialties in the South Island of New Zealand, Victoria and South Australia. She holds a licence to judge Groups 4, 6 & 7 at Championship level.

tydee TANGLESS

No one likes a coat that is full of knots, snarls and tangles. Getting dry neglected coats back into show condition used to be a nightmare for both animal and groomer. Now there is Tydee Tangless, a totally organic formula that softens, conditions and lubricates (but is 100% oil free) all at the same time. It has lanolin to add lustre and shine and other ingredients to discourage tangles from reforming. Tangless can be used on dry coats or as an after shampoo conditioner, but all shampoo must be rinsed from the coat first. You and your dog will enjoy grooming with Tydee Tangless because it saves time and effort. Tydee Tangless has a creamy smooth texture and is packed in an easy to hold 340 ml bottle with reliable pump sprays.

DAZZLE DOG tydee SHAMPOO

Nothing looks worse than a white coated dog that is dirty or has a yellow tinge. That is why we have developed Dazzle Dog, a rich pearlescent shampoo that not only conditions but also contains a revolutionary optical whitener to give animals an outstanding appearance. It is *not* a bleach and it will not harm the coat or make it brittle and it is not a blue rinse, the old fashioned way of treated off-white coats. Dazzle Dog is safe to use pets of all ages. Just try it and you will see the difference.
