## Judge: Gail O'Keefe, Christchurch

I have been involved in the dog show world since birth with my parents owning, breeding and showing English Bull Terriers from before I was born, under the Brixton prefix.

With both of my older sisters involved also in showing and breeding, Christine with Corgi's and Diane with the Australian Terrier's it was only naturally that I became involved, my first chosen breed the Border Terrier but now mostly Boxers under the Boxtan or Tennille prefix.

I bred my first litter of Border Terriers in 1987. I have also owned and shown Bull Terriers and a Greyhound. I have been lucky to have handled lots of breeds and enjoy nothing better than spending a weekend at a dog show with good friends and the dogs I love.

My involvement with the Samoyed breed came from my Aunt Margret Vaughan, "Vanda Kennels".

I spent many of my school holidays staying at the Vaughan house and the Samoyed is a breed that I have always loved and enjoyed helping to handle. I would own one if it wasn't for the grooming.

I was Vet nursing for 15 years before my current job as an Animal Management officer for Christchurch City Council, a job that I truly love and enjoy every day.

Thank you for your invitation to judge today.

Gail O'Keefe

## Butch Profile

Ian and Lorraine produced their first dog roll in Ruawai, New Zealand. A butcher by trade, Ian had recognised the growing problem of hydatids through feeding uncooked meat to dogs. He created the dog roll as a safer and healthier alternative.

Ian travelled to Auckland on Friday's where he sold his product to farmers, butchers and small markets. By 1964 they were producing 300 dog rolls per week. One Friday, when returning from Auckland, Ian was horrified to find his factory engulfed in flames. All of the equipment and stock was destroyed, the factory burnt to the ground. They had no insurance. Soon after, Ian and Lorraine moved to Auckland with their three children where they re-built their lives.

## Butch Today

Today Butch produces over 100,000 dog and cat rolls per week, is the market leader in New Zealand and has one of the most efficient and innovative pet roll manufacturing plants in the world. Butch, the oldest, most established pet roll company in the country is still solely owned by Ian and Lorraine.

All Butch products are made from fresh ingredients including beef, lamb, chicken, fish, eggs and cereals, which are scientifically blended with a range of vitamins and minerals for a perfectly balanced, complete diet for your dog or cat.

Our selection of fresh beef, lamb and chicken is collected from MAF licensed establishments daily and is processed within hours.

Our plant is licensed by MAF, whose officers' frequent visits ensure all preparation, cooking, processing, packaging and procedures meet their exacting requirements. Butch Pet Foods (PF5) is the oldest registered pet food company still in operation today.

Butch products are exported around the world and can be found in the pet food chiller of farm supply stores and all New Zealand supermarkets.

## Judge: Jill McDonald, Australia

I have been involved in showing dogs all my life, as my parents bred and exhibited Fox Terriers - Smooth, and Australian Terriers, in fact I received my first Show dog, a Fox Terrier - Smooth in 1952.

In 1960 I decided that Scottish Terriers were my preferred breed, and have been involved with this wonderful breed ever since, having exhibited and/or bred many Champions in that time, having also imported Scotties from New Zealand and most recently USA.

In addition to the above breeds I have also campaigned Cairn Terriers, Jack Russell Terriers, Welsh Corgis - Pembroke and Shiba Inus.

I obtained my first Judging Licence (Terriers) in 1990, and became an All-Breeds Judge in 2010. I have judged in all Australian States, New Zealand, South Africa and USA. I am also currently involved in the Victorian Judges Training Scheme, being the assistant co-ordinator for the Working dog Group.

I am Secretary of the two local All-Breed Clubs in Ballarat, and have served many roles in The Scottish Terrier Club of Victoria, and Steward regularly at Show in Victoria.

I indeed look forward to judging your Samoyed Club 2017 Specialty in June.

Jill McDonald

### tydee TANGLESS

No one likes a coat that is full of knots, snarls and tangles. Getting dry neglected coats back into show condition used to be a nightmare for both animal and groomer. Now there is Tydee Tangless, a totally organic formula that softens, conditions and lubricates (but is 100% oil free) all at the same time. It has lanolin to add lustre and shine and other ingredients to discourage tangles from reforming. Tangless can be used on dry coats or as an after shampoo conditioner, but all shampoo must be rinsed from the coat first. You and your dog will enjoy grooming with Tydee Tangless because it saves time and effort. Tydee Tangless has a creamy smooth texture and is packed in an easy to hold 340 ml bottle with reliable pump sprays.

### DAZZLE DOG tydee SHAMPOO

Nothing looks worse than a white coated dog that is dirty or has a yellow tinge. That is why we have developed Dazzle Dog, a rich pearlescent shampoo that not only conditions but also contains a revolutionary optical whitener to give animals an outstanding appearance. It is *not* a bleach and it will not harm the coat or make it brittle and it is not a blue rinse, the old fashioned way of treated off-white coats. Dazzle Dog is safe to use pets of all ages. Just try it and you will see the difference.
