Championship Show

Critique

Judge: Noreen Clarke, Icemist Samoyeds, Ireland

I acquired my first Samoyed in 1983 from the Secretary and founder of The Irish Samoyed Club who introduced me to the show scene.

I had found the ideal hobby which the whole family could enjoy. We bred and exhibited 20 Irish and International Champions.

I was Secretary of the Irish Samoyed Club for many years and I was breed representative with the Irish Kennel Club also.

Over the years I have derived such enjoyment from our beautiful breed and made so many friends worldwide. I have had the pleasure of judging throughout Europe, South Africa, Australia, New Zealand and Russia.

Looking forward to my trip.
