Judge: Nardine Theodore, Kiwidinok Siberian Huskies

My journey with the Siberian Husky started in 1999 when we bought Kiana home from Kuvinaad Kennels. Zharn, a rehome came a year later to keep the naughty puppy company and we also had a Samoyed for a short time.

I got my first show / sled dogs in 2008, bred my first litter in 2010, titled my first home bred in 2011 and have titled multiple show and sled dog champions in the time since. We focus on showing during the warmer months and are active in the sled dog community during winter.

I am looking forward to judging the Samoyed, another breed close to my heart.

Butch Profile

Ian and Lorraine produced their first dog roll in Ruawai, New Zealand. A butcher by trade, Ian had recognised the growing problem of hydatids through feeding uncooked meat to dogs. He created the dog roll as a safer and healthier alternative.

Ian travelled to Auckland on Friday's where he sold his product to farmers, butchers and small markets. By 1964 they were producing 300 dog rolls per week. One Friday, when returning from Auckland, Ian was horrified to find his factory engulfed in flames. All of the equipment and stock was destroyed, the factory burnt to the ground. They had no insurance. Soon after, Ian and Lorraine moved to Auckland with their three children where they re-built their lives.

Butch Today

Today Butch produces over 100,000 dog and cat rolls per week, is the market leader in New Zealand and has one of the most efficient and innovative pet roll manufacturing plants in the world. Butch, the oldest, most established pet roll company in the country is still solely owned by Ian and Lorraine.

All Butch products are made from fresh ingredients including beef, lamb, chicken, fish, eggs and cereals, which are scientifically blended with a range of vitamins and minerals for a perfectly balanced, complete diet for your dog or cat.

Our selection of fresh beef, lamb and chicken is collected from MAF licensed establishments daily and is processed within hours.

Our plant is licensed by MAF, whose officers' frequent visits ensure all preparation, cooking, processing, packaging and procedures meet their exacting requirements. Butch Pet Foods (PF5) is the oldest registered pet food company still in operation today.

Butch products are exported around the world and can be found in the pet food chiller of farm supply stores and all New Zealand supermarkets.

Judge: Noreen Clarke, Icemist Samoyeds, Ireland

I acquired my first Samoyed in 1983 from the Secretary and founder of The Irish Samoyed Club who introduced me to the show scene.

I had found the ideal hobby which the whole family could enjoy. We bred and exhibited 20 Irish and International Champions.

I was Secretary of the Irish Samoyed Club for many years and I was breed representative with the Irish Kennel Club also.

Over the years I have derived such enjoyment from our beautiful breed and made so many friends worldwide. I have had the pleasure of judging throughout Europe, South Africa, Australia, New Zealand and Russia.

Looking forward to my trip.

tydee TANGLESS

No one likes a coat that is full of knots, snarls and tangles. Getting dry neglected coats back into show condition used to be a nightmare for both animal and groomer. Now there is Tydee Tangless, a totally organic formula that softens, conditions and lubricates (but is 100% oil free) all at the same time. It has lanolin to add lustre and shine and other ingredients to discourage tangles from reforming. Tangless can be used on dry coats or as an after shampoo conditioner, but all shampoo must be rinsed from the coat first. You and your dog will enjoy grooming with Tydee Tangless because it saves time and effort. Tydee Tangless has a creamy smooth texture and is packed in an easy to hold 340 ml bottle with reliable pump sprays.

DAZZLE DOG tydee SHAMPOO

Nothing looks worse than a white coated dog that is dirty or has a yellow tinge.

That is why we have developed Dazzle Dog, a rich pearlescent shampoo that not only conditions but also contains a revolutionary optical whitener to give animals an outstanding appearance.

It is *not* a bleach and it will not harm the coat or make it brittle and it is not a blue rinse, the old fashioned way of treated off-white coats.

Dazzle Dog is safe to use pets of all ages.

Just try it and you will see the difference.
