## Judge: Wendy Hicks, Sanson

I have been in the show scene since around 1979 when I obtained my first Scottish Terrier from the renowned NZ Scottish Terrier Kennel, MacGlam.

Prior to that I did have a Gordon Setter for a short time. I have had Scotties since and have had reasonable success in the show ring.

I bred my first litter in the 1990s and gave up breeding about 10 years ago. I obtained my first Lhasa Apso from Tracey Turner, Mufassa Kennel, in 2014 and then imported a bitch from the Sooquan Kennels in Australia in 2018.

Limited showing has brought some success with Sydney and am looking at bringing in another Lhasa to complement her and the possibility of puppies in the future.

I am licensed to judge Terriers and Non-sporting and this year I am now qualified to judge the Toy Group.

## Butch Profile

Ian and Lorraine produced their first dog roll in Ruawai, New Zealand. A butcher by trade, Ian had recognised the growing problem of hydatids through feeding uncooked meat to dogs. He created the dog roll as a safer and healthier alternative.

Ian travelled to Auckland on Friday's where he sold his product to farmers, butchers and small markets. By 1964 they were producing 300 dog rolls per week. One Friday, when returning from Auckland, Ian was horrified to find his factory engulfed in flames. All of the equipment and stock was destroyed, the factory burnt to the ground. They had no insurance. Soon after, Ian and Lorraine moved to Auckland with their three children where they re-built their lives.

## Butch Today

Today Butch produces over 100,000 dog and cat rolls per week, is the market leader in New Zealand and has one of the most efficient and innovative pet roll manufacturing plants in the world. Butch, the oldest, most established pet roll company in the country is still solely owned by Ian and Lorraine.

All Butch products are made from fresh ingredients including beef, lamb, chicken, fish, eggs and cereals, which are scientifically blended with a range of vitamins and minerals for a perfectly balanced, complete diet for your dog or cat.

Our selection of fresh beef, lamb and chicken is collected from MAF licensed establishments daily and is processed within hours.

Our plant is licensed by MAF, whose officers' frequent visits ensure all preparation, cooking, processing, packaging and procedures meet their exacting requirements. Butch Pet Foods (PF5) is the oldest registered pet food company still in operation today.

Butch products are exported around the world and can be found in the pet food chiller of farm supply stores and all New Zealand supermarkets.

## Judge: Ian Geddes-Cook, Tauranga

I have been involved with breeding and exhibiting Rottweilers since 1985 under the prefix Hardrada, having produced 38 champions, in seven countries. In recent times I have had success in Australia having produced 4 grand champions and was the first overseas breeder to produce the first supreme rottweiler champion. I was also very pleased to have the first Rottweiler in 2013 to be awarded canine hero of the year with the New Zealand Kennel club.

Originally from the UK, I started judging in 1991 at open show level, moving to New Zealand 2002, in 2005 I was passed to award cc's in Rottweilers and Swedish Vallhunds, later on being passed for the utility group, and have been fortunate to judge in Ireland, Scotland, England, Wales, Australia, and New Zealand. I have served on many dog-related committees in UK, and for 12 years was on the Tauranga Kennel Association Committee.

I feel very privileged to be able to live in New Zealand and honoured to be asked by the committee to judge The Samoyed Club Championship Show.

Ian Geddes-Cook

### tydee TANGLESS

No one likes a coat that is full of knots, snarls and tangles. Getting dry neglected coats back into show condition used to be a nightmare for both animal and groomer. Now there is Tydee Tangless, a totally organic formula that softens, conditions and lubricates (but is 100% oil free) all at the same time. It has lanolin to add lustre and shine and other ingredients to discourage tangles from reforming. Tangless can be used on dry coats or as an after shampoo conditioner, but all shampoo must be rinsed from the coat first. You and your dog will enjoy grooming with Tydee Tangless because it saves time and effort. Tydee Tangless has a creamy smooth texture and is packed in an easy to hold 340 ml bottle with reliable pump sprays.

### DAZZLE DOG tydee SHAMPOO

Nothing looks worse than a white coated dog that is dirty or has a yellow tinge. That is why we have developed Dazzle Dog, a rich pearlescent shampoo that not only conditions but also contains a revolutionary optical whitener to give animals an outstanding appearance. It is *not* a bleach and it will not harm the coat or make it brittle and it is not a blue rinse, the old fashioned way of treated off-white coats. Dazzle Dog is safe to use pets of all ages. Just try it and you will see the difference.
