Judge: Lyall Payne, Otaki

From the age of thirteen I had a school holidays and weekend job in a local boarding kennel and cattery in my hometown of Papakura. In the first year, 1967, I laid eyes on an Afghan hound for the first time. I was in awe and determined to have one. For the next two years, the dog's breeder and her Afghan hounds lived less than a kilometre from the boarding kennels, before moving back to Australia. I learned this many years later when I was researching and then published the history of the breed in New Zealand.

In 1971 and in my final year at High School I got my first Afghan hound. I entered her at an Auckland Kennel Club show, held in an old pavilion at Epsom Showgrounds. In a class of three, mine won. I was hooked, went home and after studying the Kennel Gazette sent entries off to every show I could possibly travel to. I remember one entry was returned – by Hauraki Plains Gundog Society!!

My next dog joined me when I was living in Palmerston North, co-owned with Desiree Crysell. This dog became the first of many Specialty winning Best in Show winners for me. For many years I held the record of having owned the most Specialty winning Best in Show Afghan hounds when the record was overtaken and is held by those same people today. I spent 40 years as a breeder (just four litters), very active exhibitor and owner. I have owned just one breed of dog.

I love judging dogs and gained my Hound Group in 1975 and Working Group a few years later. In recent years I have been strongly involved in the NZ Cat Fancy. I breed Birman cats and am an All Breeds judge. I keep up a strong writing interest in the Afghan hound breed, having researched the lives of the British soldiers and their families who took the first dogs to England after being stationed in what is today parts of Afghanistan and Pakistan.

Outside of these worlds, I work as an Insights Analyst at Stats New Zealand, having started in their Palmerston North office 44 years ago. I'm currently working on how to build better knowledge of the way digital technologies are impacting the social, cultural and economic wellbeing of New Zealanders.

I'm delighted to have the opportunity to judge your beautiful Samoyeds today.

Each pouch shows a dog and a cat.

Butch Profile

Ian and Lorraine produced their first dog roll in Ruawai, New Zealand. A butcher by trade, Ian had recognised the growing problem of hydatids through feeding uncooked meat to dogs. He created the dog roll as a safer and healthier alternative.

Ian travelled to Auckland on Friday's where he sold his product to farmers, butchers and small markets. By 1964 they were producing 300 dog rolls per week. One Friday, when returning from Auckland, Ian was horrified to find his factory engulfed in flames. All of the equipment and stock was destroyed, the factory burnt to the ground. They had no insurance. Soon after, Ian and Lorraine moved to Auckland with their three children where they re-built their lives.

Butch Today

Today Butch produces over 100,000 dog and cat rolls per week, is the market leader in New Zealand and has one of the most efficient and innovative pet roll manufacturing plants in the world. Butch, the oldest, most established pet roll company in the country is still solely owned by Ian and Lorraine.

All Butch products are made from fresh ingredients including beef, lamb, chicken, fish, eggs and cereals, which are scientifically blended with a range of vitamins and minerals for a perfectly balanced, complete diet for your dog or cat.

Our selection of fresh beef, lamb and chicken is collected from MAF licensed establishments daily and is processed within hours.

Our plant is licensed by MAF, whose officers' frequent visits ensure all preparation, cooking, processing, packaging and procedures meet their exacting requirements. Butch Pet Foods (PF5) is the oldest registered pet food company still in operation today.

Butch products are exported around the world and can be found in the pet food chiller of farm supply stores and all New Zealand supermarkets.

Judge: Debbie Parker, Alveka Samoyeds, Australia

I have been involved in the dog world since 1983, when I acquired my first Samoyed as a pet and not a show dog, I joined the Samoyed Club of Vic and learnt all about the dog world and I was hooked. I bred sparingly under the Alveka prefix and only when I wanted to keep something.

I became interested in judging and in 1996 became qualified to judge the Utility Group. During my years I have handled a number of breeds, Samoyeds, Keeshond, Rottweillers, Newfoundland's, Pyrenean Mountain Dogs, Alaskan Malamutes and Shiba Inu's.

I fell in love with the Shiba breed and acquired my first in the mid 2000's when my work commitments were not allowing me the time to put into showing Samoyeds.

I work in Melbourne for Greyhound Racing Victoria as an Investigative Steward and am a member of Dogs Victoria Disciplinary Committee, I am also the Secretary and Life Member of the Victorian Spitz Breeds Club Inc, Asst Secretary of the Eltham & District Kennel Club, Show Manager of the Samoyed Club of Victoria and was also the Show Secretary of the 11th Samoyed National recently held in Melbourne.

I wish to thank the Committee and its members for allowing me the opportunity to judge this wonderful breed at your Championship Show, this breed will always be in my heart.

tydee TANGLESS

No one likes a coat that is full of knots, snarls and tangles. Getting dry neglected coats back into show condition used to be a nightmare for both animal and groomer. Now there is Tydee Tangless, a totally organic formula that softens, conditions and lubricates (but is 100% oil free) all at the same time. It has lanolin to add lustre and shine and other ingredients to discourage tangles from reforming. Tangless can be used on dry coats or as an after shampoo conditioner, but all shampoo must be rinsed from the coat first. You and your dog will enjoy grooming with Tydee Tangless because it saves time and effort. Tydee Tangless has a creamy smooth texture and is packed in an easy to hold 340 ml bottle with reliable pump sprays.

DAZZLE DOG tydee SHAMPOO

Nothing looks worse than a white coated dog that is dirty or has a yellow tinge. That is why we have developed Dazzle Dog, a rich pearlescent shampoo that not only conditions but also contains a revolutionary optical whitener to give animals an outstanding appearance. It is *not* a bleach and it will not harm the coat or make it brittle and it is not a blue rinse, the old fashioned way of treated off-white coats. Dazzle Dog is safe to use pets of all ages. Just try it and you will see the difference.
