## Judge: Samantha Diggins, Wellington

I have had dogs in my life since early childhood with my Mother bringing “her bit of home” a Pedigree Labrador Retriever bred at Castle Howard in the UK when she married and travelled to New Zealand. Her father had bred working Springer Spaniels and Labradors. We had Labradors, an English Cocker Spaniel, an American Cocker and a “bitzer” while I was growing up. The gundogs all went out with my father at Duck shooting time. Horses were a major part also of my life, competing all over the North Island at Dressage and Eventing. I was actively involved in Pony Club and was awarded National Exams with honours. So my eye for a dog comes from a structure point of view, if it isn't built right it can't move right, if it can't move right, how can it do its job?

My own first dog was a rescued Stafford/Bull Terrier cross. While living overseas I came across West Highland White Terriers being walked in the park behind my home and that was it love at first dog sight. The stone was set and when I came home I got my first Westie in 1997 and I bred my first litter in 1999. My Mother then became involved with Griffon Bruxellois and joined me at Dog Shows. When I meet my husband he came with Cairn Terriers so Team Terrier we became.

Judging became a natural progression and I now can judge Toys and Terriers at Championship level with aspirations to move on to more groups. I actively challenge myself to learn more about the breeds at shows to constantly up skill my knowledge and understanding of Pedigree dogs.

Outside the Dog World I have been a Primary School teacher for more than 25yrs, the rewards from children are huge and there is no other job I could see myself doing.

Thank you for your invitation to judge today.

Samantha Diggins

## Butch Profile

Ian and Lorraine produced their first dog roll in Ruawai, New Zealand. A butcher by trade, Ian had recognised the growing problem of hydatids through feeding uncooked meat to dogs. He created the dog roll as a safer and healthier alternative.

Ian travelled to Auckland on Friday's where he sold his product to farmers, butchers and small markets. By 1964 they were producing 300 dog rolls per week. One Friday, when returning from Auckland, Ian was horrified to find his factory engulfed in flames. All of the equipment and stock was destroyed, the factory burnt to the ground. They had no insurance. Soon after, Ian and Lorraine moved to Auckland with their three children where they re-built their lives.

## Butch Today

Today Butch produces over 100,000 dog and cat rolls per week, is the market leader in New Zealand and has one of the most efficient and innovative pet roll manufacturing plants in the world. Butch, the oldest, most established pet roll company in the country is still solely owned by Ian and Lorraine.

All Butch products are made from fresh ingredients including beef, lamb, chicken, fish, eggs and cereals, which are scientifically blended with a range of vitamins and minerals for a perfectly balanced, complete diet for your dog or cat.

Our selection of fresh beef, lamb and chicken is collected from MAF licensed establishments daily and is processed within hours.

Our plant is licensed by MAF, whose officers' frequent visits ensure all preparation, cooking, processing, packaging and procedures meet their exacting requirements. Butch Pet Foods (PF5) is the oldest registered pet food company still in operation today.

Butch products are exported around the world and can be found in the pet food chiller of farm supply stores and all New Zealand supermarkets.

## Judge: Sylvia Sharpe, Australia

Ms Sylvia Sharpe  
832 Strathfieldsaye Road, Strathfieldsaye Vic 3551  
www.snowbrooksamoyeds.com Email: snowbrooksamoyeds@yahoo.com.au

Snowbrook Samoyeds has been my life long passion, having purchased my first Samoyed in 1960.

I was attending The Royal Melbourne Show on what was unbeknown to me, Samoyed judging day! My husband and I were looking for the elusive white dog of great beauty that he had seen only briefly and at a distance (Samoyeds at that time were quite scarce & rare.)

We arrived in time to see the Best of Breed judging and when it was over we went in search of the winners to place our order for a puppy.

That day, Ch Beila Laughing Boy was the Best of Breed winner and Ch Wyndalon Mandy was the bitch Challenge winner. From memory Ch. Beila Laughing Boy was 11 years old when I saw him awarded again with Best of Breed. He did a lap of triumph while the judge spoke of his age and excellent movement. We quickly placed an order for a female (of course). My life was changed from that time! It is now 58 years since that day!

Completely taken in by the samoyeds' beauty, it was my goal to breed more beautiful Samoyeds. I have bred many lovely dogs who have attained their titles and won top awards, not only in Australia but overseas and for a short while I bred and exhibited Shih Tzu's producing Ch Snowbrook Black Lace who was titled although an almost solid black Shih Tzu.

I have been judging dogs at Championship show level for 32 years. Having achieved my license to judge Group 6 at Championship show level in 1978, followed by Groups 7 and 4. I am now a trainee for Group 2, having judged some 200 dogs in that group. My judging assignments have taken me over most of the Eastern states of Australia.

Highlights of my judging career have included an invitation to judge at the Dominion Samoyed Club Championship Show in Christchurch, New Zealand in November 2009 as well as being invited to judge at the First Indonesia National Samoyed Specialty in Bandung in August 2014, sharing the judging panel with Dr Andi Hudono. Dr Hudono judged another portion of the show while I specialized in the Samoyed conformation of the National. This was a fabulous experience.

I have enjoyed seeing and judging many beautiful and outstanding dogs.

Sylvia Sharpe

### tydee TANGLESS

No one likes a coat that is full of knots, snarls and tangles. Getting dry neglected coats back into show condition used to be a nightmare for both animal and groomer. Now there is Tydee Tangless, a totally organic formula that softens, conditions and lubricates (but is 100% oil free) all at the same time. It has lanolin to add lustre and shine and other ingredients to discourage tangles from reforming. Tangless can be used on dry coats or as an after shampoo conditioner, but all shampoo must be rinsed from the coat first. You and your dog will enjoy grooming with Tydee Tangless because it saves time and effort. Tydee Tangless has a creamy smooth texture and is packed in an easy to hold 340 ml bottle with reliable pump sprays.

### DAZZLE DOG tydee SHAMPOO

Nothing looks worse than a white coated dog that is dirty or has a yellow tinge.

That is why we have developed Dazzle Dog, a rich pearlescent shampoo that not only conditions but also contains a revolutionary optical whitener to give animals an outstanding appearance.

It is *not* a bleach and it will not harm the coat or make it brittle and it is not a blue rinse, the old fashioned way of treated off-white coats.

Dazzle Dog is safe to use pets of all ages.

Just try it and you will see the difference.
