Catch the Dog!

(Sung to "Deck the Halls")

This one was written for Labs, but I think ALL dog owners can identify:

Catch the dog, she stole the presents!
Fa la la la la la la la la.
She thinks they're ducks or upland pheasants!
Fa la la la la la la la la.
Took them all while I was napping!
Fa la la la la la la la la.
Ripped the boxes and the wrapping!
Fa la la la la la la la la.

See her running right before us,
Loves the chasing and the big fuss.
Follow her, your steps don't measure
Or we'll never get her treasure.
Fa la la la la la la la la.

Give it up, I think we're beaten.
All the gifts are torn or eaten.
Get the checkbook ready honey,
Cause this year we're giving money!
Fa la la la la la la la la!

President's Report

Well here we are, a few weeks before Christmas, the shows are nearly finished for another year.

We held our Open Show at Taupo this year (which is good for our Northern Members to attend) but it does have it's problems for the Committee. Further to travel and take everything that is needed for the show. The weather was good and Lorraine managed to travel the 3 hours with Glass prizes and 'Not break any ! Well done Lorraine !

I would like to say a BIG THANK YOU to all the people that helped with Entries, Donating prizes, Donating items for the Mystery Auction and bidding at the Auction. Andrea Short was our Auctioneer, she did a wonderful job. This was held at the end of the Utility group , when everyone was relaxed and had a few laughs. I am pleased to say that there was lots of bidding for the Samo-

yed plate. Won by Sharon Kelly, I look forward to seeing it on her Mantelpiece the next time I visit.

We had to postpone the Snow dog Match because of a heavy rain warn-

ing and we had to decide the night before. We made the right choice, but unfortunately we didn't get a large entry when we held the show 2

weeks later.

Both Show results are in this Magazine. (page 8 and 20)

We had a Samoyed Walk along the Hutt River in October, which we had a few people attend plus the committee. We try to hold these walks in different areas every few months. It would be nice to hear from our Lower North Island members if they would like to attend one of the walks and when would suit them.

We normally notify members by email, so we would like to keep your contact details up-to-date. Please fill in your details on 2007 Membership form and return with payment, as we know how easy it is to forget next month if you have paid or not !

Our Treasurer, Simeon, keeps good records of our accounts. I am sure that you can contact him if you have any questions on whether your subs are due or not .

Have a nice Christmas and New Year

Regards
Anita Shugg

Secretary's Report

Although it is close to summer (not that anyone can guess with all this rain we have been having), my backyard yesterday looked like the middle of winter, Samoyed hair everywhere after stripping out two very grateful dogs! Snow, I have decided would be a lot easier to clean up. I watched the local blackbirds swoop in and steal the nice soft undercoat for their nests. Glad we could oblige :-)

“Samoyed hair everywhere after stripping out two very grateful dogs!”

stressful time for any committee, especially when the show has to be travelled to. Please have some consideration and help where able. We hold these shows for the benefit of YOU (our club members), so a bit of support is very much appreciated.

Lorraine, as always, did a fantastic job with the prizes. A little birdie told me she managed to get all those glasses up to Taupo with no breakages. I am

original date and because of the short notice of the postponement date, I was unable to attend. I believe, once again, a Samoyed was the winner. Correct me if I am wrong but I think a Samoyed has won every snow dog match so far. What a great record!

With Xmas looming around the corner, I would like to wish you all a very Merry Christmas and a Happy New Year. Keep safe on those roads if travelling and make sure your beautiful Sams are taken care of over the hot summer period.

I received good reports back from Taupo in regards to our Open Show. Open Shows and Champ Shows are always a very

impressed.

The annual Snow Dog Match was also held in November. Unfortunately, it was rained out on the

Christmas presents for your Samoyed.

If giving your dog food treats, still make them do something for it - i.e. - "Call them to you" : 'Make them sit' , etc
When giving your dog a New Toy, it should be under supervision for the 1st few days, some Samoyeds play with their toys as intended, other Samoyeds like to take them apart and see 'how it was made ! LOL

How about a Groom or Bath from a Grooming Parlour ? (A good Bath and Groom would take at least 2 hours if the coat dose not have knots) Try to groom out all the old coat before bathing, the end result is worth it. A comb is often better to remove old coat. A Moultng comb is even better and

would make a great Christmas Present. Try grooming on a Chest Freezer or an outside wooden table works well. Groom for short periods and give a treat when finished (the dog then starts to look forward to the next groom) While grooming, it is a good time to check those hidden parts for Grass seeds and lumps.

Be careful with the Christmas presents under the tree that contain Chocolate ! There are lots of dogs out there that have 'No trouble finding this present and sampling the Chocolate for you !

Have a nice holiday break and enjoy it with you Samoyed

The Musher's Christmas Song **(to the tune of "Let it Snow!")**

For working dog lovers everywhere!

"Oh the weather outside may be frightful!
But with our HUSKEYS and SAMOYEDS
it will be delightful!

And since we've got places to go...
Let it SNOW!
Let it SNOW!

So the DOG SLEDS go!
We've got some SKIS for SKIJORING,
and we've got LOTS of CIDER for POURING!
Now the TRAILS are all set to MUSH!
So Let it SLUSH!
Let it SLUSH!
Let it SLUSH!

It doesn't show signs of stopping,
so we brought some BIVEYS and some MUSIC for hopping!
And when the bonfire's burned way down low,
Give us MORE SNOW!
Give us MORE SNOW!
So the DOG SLEDS GO!

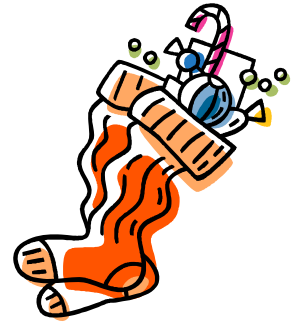

When we finally head on home,
OH how we'll HATE untangling ALL the lines!
But if we MUSHERS do our jobs right,
We'll be done,
we'll be done,
by 'round MIDNIGHT!

Oh the FIRE in our dogs is GONE now,
and SOME HOW we gotta get home, ya'!!!
But as long as we got all our TOES!
Let it SNOW!
Let it SNOW!
Let it SNOW!

A Dog's Christmas Promises

- Christmas is for humans, and I will not ruin the surprises by opening all their presents.
- Christmas light bulbs, Christmas ornaments, Christmas stockings, and tinsel from the Christmas tree are not food.
- I will not demolish the Christmas tree and drag the string of lights out into the backyard through the doggy door.
- I will not dive into the Christmas tree to get the candy canes (which I will eat – paper and all).
- I will not eat my Christmas doggie teats until after they're out of the stocking!
- I will not even THINK about going underneath the Christmas tree and piddling on the dining room rug.
- I will not get into a fight with the bigger dog next door, making my human have to call the vet's at Christmas.
- I will not get tangled up in the Christmas tree lights and pull the tree down while trying to get at a cat through the conservatory window.
- I will not pee on Grandma's Christmas presents that are under her tree as soon as we enter her house.
- I will not pee on the Christmas tree.
- The bowl underneath the Christmas tree is not a dog dish. I will not drink from it. It will make me sick.

CHRISTMAS DOG

By Shel Silverstein

Tonight's my first night as a watchdog,
And here it is Christmas Eve.
The children are sleeping all cosy upstairs,
While I'm guarding' the stocking's and tree.

What's that now---footsteps on the rooftop?
Could it be a cat or a mouse?
Who's this down the chimney?
A thief with a beard---
And a big sack for robbing' the house?

I'm barking', I'm growling', I'm biting' his butt.
He howls and jumps back in his sleigh.
I scare his strange horses, they leap in the air.

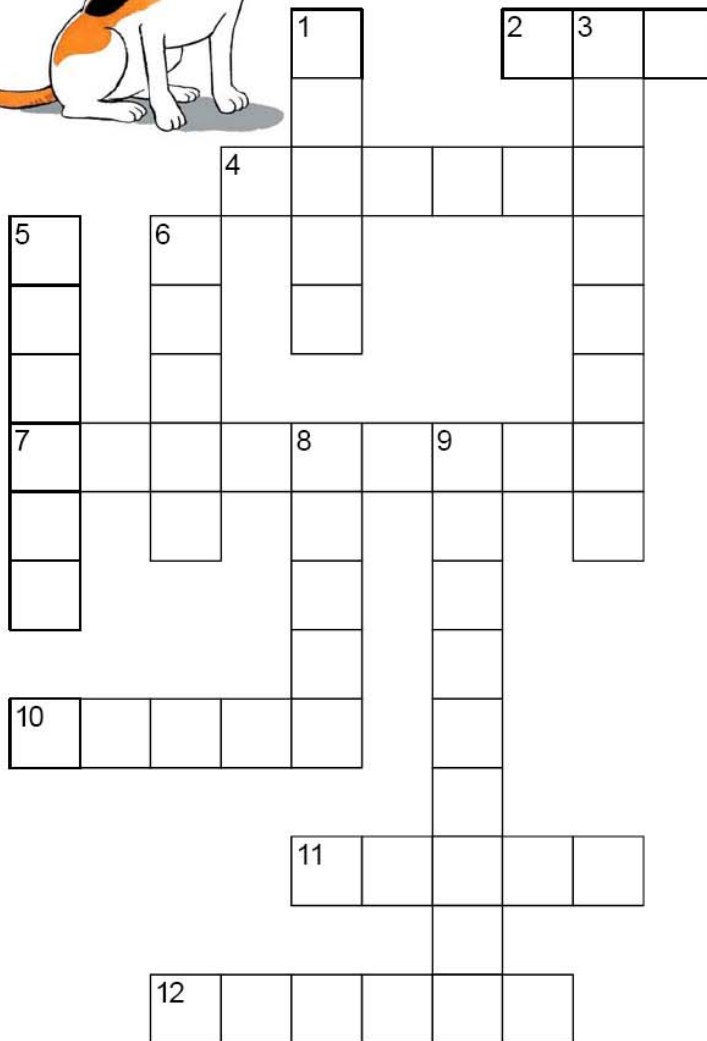

I've frightened the whole bunch away.
Now the house is all peaceful and
quiet again.

The stocking's are safe as can be.
Won't the kiddies be glad when they wake up tomorrow
And see how I've guarded the tree.

Elizabeth has a new puppy named Toby. She wants her puppy to grow up to be well-behaved dog, so she is already teaching Toby to "sit", "stay" and "come". Elizabeth and her parents knew that taking care of Toby would be a big responsibility. Before they brought the puppy home, they brought some of the things he would need. Can you find the hidden picture of items Elizabeth and her parents bought for Toby?
