Summer is here and Christmas is just around the corner! I hope you've all had an amazing year and are looking forward to an even better 2013. The shows this year have gone very well, the Pet Expo and Fun Day were again both a success, and here's hoping to bigger and better ones next year.

As always, if you have any stories, photos or articles that you'd like to share with the club, please feel free to send them in. It's great for all the members, new and old alike, to be sharing theirs and hearing about and seeing what everyone else is up to.

Next issue we'd like to do a Samoyed history special, so contact us if you have anything to contribute!

Also, in this issue are the answers to the puppy and adult dog match test, how many did you get right?

Dog Summer Tips

1. Exercise early in the morning or late in the evening. If you take your dog walking or jogging, remember that he's doing it in a fur coat, the afternoon sun might be too much for him to handle right now. Also, the cement and asphalt can be incredibly hot, so don't let his tender foot pads get burnt while he's out.

2. Give them plenty of fresh, clean water when it's hot outdoors. Make sure your pets have a shady place to get out of the sun, be careful to not over-exercise them and make sure they can come inside.

3. Never leave your animals alone in a parked vehicle. Not even for 5 minutes, on a hot day a car can become a furnace, even with windows cracked, leaving a dog in these conditions can

lead to fatal heat stroke. If you have to take your dog make sure you can take him or her out of the car when you arrive, otherwise, do your dog a favour and leave them at home.

4. Fun in the water! Always stay near your dog while playing or swimming in a lake, river or the ocean. Do not leave

pets unsupervised around a pool - not all dogs are good swimmers. Introduce your pets to water gradually and make sure they wear flotation devices when on boats. Rinse your dog off after swimming to remove chlorine or salt from his fur, also, prevent your dog from drinking the pool water and salt water.

5. Please remember to keep your dog well groomed over summer.

6. Protect him against fleas, ticks and intestinal worms. Fleas, worms and ticks are always more of a problem during the hot summer months. These

parasites are uncomfortable and a hazard to your dogs health. Fleas can cause skin allergies, anaemia, and transmit tapeworms. There are many preventative measures to protect against these pests,

topical treatments, pills and flea shampoos.

7. If your dog is really hot, fill up a paddling pool or let him play in the hose or sprinkler to cool down, you will probably both have fun doing it too.

Just a little Samoyed brag...

Since I lost Shelby my Dobermann in October this year Danza the Samoyed got to do a little extra fun things with me other than breed shows. Our local obedience club was asked about doing an obedience demo at Tawa School. Now normally I would be one to jump at the idea with Shelby but as I don't have her Danza got pulled in and stepped up to the mark with her smiley Samoyed face.

A dummy run at the school was had with a temporary fence around us. Five of us turned up with dogs and did some basic obedience work. Heel work, right hand turns, downs and sits, then stepped it up with a little more challenging stuff like right and left about turns. Recalls in a circle with all five of us calling dogs at same time. It worked brilliantly. Out of sight stays. V-formation drop stays to which Danza was the "V point" (think of a V, Danza in the middle and behind us four other dogs). Danza was the last one to drop stay: we walk forward, drop our dogs then walk back past them and on return pick up our dogs and carry on walking until all five of us are back in a line.

On the day we had a plan and were all kitted out in obedience jackets. It was overcast, a gentle breeze, nothing to worry about. We arrive to discover we have a Harley Davidson old motorbike with sidecar, and MG cars all zooming past our fenced off area, giving rides

to very loud and excited kids yelling to go faster.

Mission on, game face and happy smiles by us dog handlers and the dogs didn't have a care in the world. Much to the relief of us all!

Last trick down dogs are in a diagonal line, each dog is to walk in and out (weave) through all the dogs, all in down stays, and

tag onto the end. Then another person with a dog was spotted from the club and asked to weave in and out while the rest of handlers stood to one side.

Poor Danza got so excited seeing a Dobermann and guess who thought it was Shelby?! A firm voice from me to "DOWN DANZA!" and, give her 10 brownie points, she dropped back down perfectly.

You see a dog never forgets a breed or face... The crowd thought it was all part of the demo!

Thank you to Lynne Barr for letting me borrow Danza the star who got mobbed by lots of kids wanting pats and cuddles with the fluffy dog. Some kids who were scared of dogs were happy to walk the dogs around much to the joy of the parents who went camera mad taking photos!

Merry Christmas

From **ZAMINKA SAMOYEDS**

What a great year it has been for us, with Felix notching up 5 Best in Show *All Breeds*, one being Best in Show at the country's Supreme **NATIONAL DOG SHOW**, plus many more awards. His young son, Fame collecting 2 Best of Groups at Championship level from the puppy class and daughter, Breeze gaining her title, making her Felix's first NZ Champion. And to top it off our darling Lottie, comes out and picks up 2 Reserve of Groups and **RESERVE BEST IN SHOW**, Wairarapa Championship Show.

Lottie's daughter, Bella, is planning to visit Felix in the New Year, watch for news of her litter!

We wish all dedicated Sammy lovers a happy and successful New Year 2013. May your hearts reflect the spirit of the smiling Samoyed for longer than the Festive Season.

in a show?**

A festive Christmas card for Angara Samoyeds. The background is a dark blue night sky with white stars and a constellation. On the left, a Samoyed dog is sitting on a patterned cushion with its tongue out. On the right, a close-up profile of a Samoyed dog's face is shown. In the center, the words "Merry Christmas" are written vertically in large, green, stylized letters, with "2012" below them. At the bottom right, two snowmen are standing on a white snow-covered ground. The snowmen are white with black hats, orange scarves, and stick noses. The name "ANGARA SAMOYEDS" is written in large, blue, serif capital letters at the bottom. A small copyright notice "© WILDSTUDIO" is visible in the bottom right corner.

Notices

All breeders, please remember to be getting your new puppy owners to join the club. With events like the Fun Days and Sammy Walks, there are plenty of ways for them to be involved with the other members and their dogs.

We are currently working on a new website for the Samoyed Club Inc. If you have any photos you would like to contribute, please send them in.

Anyone with Nutrience dog food barcodes, please remember to keep sending them to Lynne, and thank you to those who regularly do.

Remember, you need to be a member of the Samoyed Club before you can claim points.

Interested in joining our committee? If so, please contact Lynne or Anita.
