Certificate of Appreciation

Certificate of Appreciation for Anita Shugg

The Samoyed Club Inc would like to nominate Anita Shugg, NZKC member 052364, for a New Zealand Kennel Club (NZKC) Certificate of Appreciation.

Anita is a stalwart of our club. Anita stepped down from the committee at our AGM in March after being involved with The Samoyed Club Inc for a very long time. Anita has held several roles in the committee most notably as Secretary, Show Secretary and Samoyed Care Co-ordinator.

Anita owned her first Samoyed in 1981 and became involved with The Samoyed Club shortly after.

Anita has greatly contributed to the success of The Samoyed

Club, in particular with her show knowledge for the Open and Championship shows held by the club.

Anita is dedicated to the Samoyed breed. Anita has helped with the rescue and rehoming of lots of Samoyeds that either ended up in the pound or were bought to her attention. There is now a well established Samoyed care network within New Zealand. Anita was instrumental in setting up the network with the two other Samoyed clubs in New Zealand.

Anita is and has been an officer of several NZKC recognised clubs other than The Samoyed Club, namely The Spitz Breeds Club and Horowhenua Kennel Association.

Anita has stewarded for many years for NZKC events, including the National Dog Show and been a judge since the early nineties.

The club would like a NZKC Certificate of Appreciation for Anita to reflect her long service and support of The Samoyed Club Inc and the NZKC.

Samoyed Pack Walk

Samoyed Walk 11 October - at Queen Elizabeth Park

Our Samoyed Pack Walk on 11th October 15

Queen Elizabeth Park on the Kapiti Coast is a beautiful setting for a walk. We started off along the hill path, with Phoebe and Kimba running off track into the bush and back.

Half way along Gracie and Duffy couldn't wait so found a track down to the beach and had to be called back.

When we headed back along the beach we spread out with the usual free range dogs heading off into the surf for a paddle.

Phoebe and one of the pups were having such fun playing they tripped me up – so I landed on hands and knees, thankfully in the sand!

A very enjoyable walk for all humans and Samoyeds. Thanks to everyone that came with the 16 Sammys - it was a large pack with Sams of all ages and sizes. We were surprised that the puppies had grown so much since their first walk on the Hutt River Trail last month, when they were small enough to pick up and cuddle. They put in a great effort to keep up with the others, having a few rests along the way.

No walk organised for December as we all get so busy with Christmas functions, so next Sam Pack Walk:
